

# Simcoe County FOOD & AGRICULTURE CHARTER

## How to Endorse the Charter

The Simcoe County Food and Agriculture Charter aims to create awareness, and support individuals, public, private and community organizations in working together to ensure a food secure future for Simcoe County. Individuals or organizations that endorse the Simcoe County Food and Agriculture Charter signify their commitment to the spirit and aims of the document and intend to refer to the document's vision and principles as a guide when making decisions related to our local food and agriculture system. If you would like to support the Simcoe County Food and Agriculture Charter just follow these easy steps:

### If you are an Individual or Family

1. Register your commitment online, visit [fpa.simcoe.ca](http://fpa.simcoe.ca).
2. Make a commitment to do at least one new thing this year that will support the principle(s) in the Simcoe County Food and Agriculture Charter, see the online Idea Bank for suggestions (coming soon).
3. Visit the Food Partners Alliance website often for news and upcoming events.

### If you are a Business or Organization

1. Request that your Board or President endorse the Simcoe County Food and Agriculture Charter.
2. Send your letter of endorsement to the Simcoe County Food and Agriculture Charter Steering Committee at the contact information below and register your commitment online at [fpa.simcoe.ca](http://fpa.simcoe.ca).
3. Print, sign and display the Charter Endorsement Certificate in your workspace.
4. Make a commitment to do at least one new thing this year that will support the principle(s) in the Simcoe County Food and Agriculture Charter, see the online Idea Bank for suggestions (coming soon).
